## DIRECTORS OF MUSIC PROGRAM AT VISCOUNT BENNETT SCHOOL

**MISS MARILYN PERKINS**  
Vocal Music

**MR. ROY DOW**  
Instrumental

**MR. R. F. WILLIAMSON**  
Assistant

The music program at Viscount Bennett School covers instruction in both vocal and instrumental music. The program was begun in 1955, the year the school opened, under the direction of Mr. Cyril Mossop, Music Supervisor for the Calgary Public Schools, with the organization of a small Junior High School Band and Choral Group. It has grown each year since to include the two major Bands and three Choral Groups appearing in tonight's concert. All of these groups have appeared in the local Music Festival at various times. The Viscount Bennett Marching Band, a part of the Senior Band, has entertained Calgarians on many occasions at Stampeder football games. The Dance Band, also a part of the Senior Band, and the Senior Choral groups have performed frequently before Service Clubs and other organizations. Two years ago the senior students of the Mixed Choral Group journeyed to Halifax to sing at the Canadian Music Educators' Conference in that city.

The Band Parents' Group organized in 1957 to support the Band, has been a vital factor in the growth and success of the music program at Viscount Bennett School.

The proceeds of this concert will be used to assist the music department in the purchase of instruments and music, and to aid other departments of the school. A portion of the proceeds will help to send the Senior Band and a Choral Group to Kelowna for a concert in May.
